Jenny Jordan oversees Benefits Planning and Supported Employment services for Colorado's Department of Health Care Policy and Financing (HCPF). Starting as an Employment Specialist in 2003, Jenny supported people of varying abilities to obtain and maintain employment. Jenny wore many hats during her 16 years with a Case Management Agency that served people with Intellectual/Developmental Disabilities (IDD) including onboarding and training Case Managers, quality assurance, and provider relations. Jenny has played a key role on the Association of People Supporting Employment First (APSE) Colorado Chapter's Benefits Planning subcommittee and was instrumental in adding Benefits Planning services to the Home and Community-Based Services (HCBS) Developmental Disability and Supported Living Services Medicaid Waivers.
