Bonnie Silva serves as the Office Director of the Office of Community Living (OCL), where she provides strategic leadership in policy guidance and system transformation. In her role, she oversees the administration of long-term services and supports for older adults and individuals with disabilities throughout their lifespan, encompassing both community-based and facility-based care.

With a career spanning over 20 years, Bonnie brings extensive expertise in program administration, policy development, quality assurance, and community engagement. Her diverse background includes pivotal roles within government and non-profit sectors, including service provider agencies, case management organizations, and state departments.

Bonnie's journey in disability policy began as a direct support professional, a foundational experience that informs her oversight and direction of disability programs across Colorado. She earned her undergraduate degree in Psychology from the University of Colorado at Denver. Proudly born and raised in Colorado, Bonnie is the devoted parent of three boys and a delighted grandparent to one girl.
