The screenshot shows the Relias website interface. At the top, the Relias logo is on the left, and navigation links for INDUSTRIES, SOLUTIONS, RESOURCES, and COMPANY are in the center. On the right, there is a search icon, a LOGIN button, and a REQUEST DEMO button. The main content area features a circular graphic of a coronavirus particle on the left. To its right, the heading reads "How To Prepare for Coronavirus (COVID-19) and Influenza: Free Online Training & Resources". Below the heading, a sub-headline states: "Relias is offering free, unlimited access to relevant resources to help healthcare professionals and individuals prepare, control, and prevent the spread of infection." At the bottom of the page, there is a "CONTENT" section with two items: "Free Training Courses for Healthcare Professionals and Individuals" and "Free Telehealth Course Series". To the right of these items, a larger heading reads "Free Training Courses for Healthcare Professionals and Individuals", followed by a paragraph: "Spread knowledge: share these free healthcare training resources with colleagues, family, and friends to help with pandemic preparedness! It is important that facilities and individuals are up to date on their pandemic preparedness, infection prevention protocols, and have established plans for monitoring the
