

## Sally Montgomery Bio

Sally Montgomery has been a part of the IDD service community in Colorado for 38 years. After completing her BSW in Iowa Sally moved to Colorado and began working as a Direct Support professional with Mosaic Sally has held several different positions over the years including serving as a Chief Operating Officer and Division Vice President overseeing Mosaic's services in 6 states. She returned to an Executive Director position in 2009 to pursue her passion, working hands on with individuals and their families and leading a team to provide community services that truly supports people to have a life of opportunity! Sally has been an active member of Alliance for over 25 years. In addition to serving on the Executive Committee she was the chairperson for the Focus on The Future committee that engaged stakeholders across the state to create a vision of IDD services for the future. To continue planning for the future of Alliance Sally recently served as chairperson for the PLAN committee to set long term public policy priorities for Alliance. Sally enjoys spending time with her husband exploring new hot springs in Colorado and Wyoming, reading and wrangling three beautiful hybrid cats.
