

Karlene Martin is a Senior Territory Sales Representative for Shield Healthcare, a disposable medical supply company that has been delivering supplies to the home since 1957. Karlene has worked within the medical industry for 35 years in various positions, 30 of her 35 years have been with Shield Healthcare. Outside of her commitment to Shield as a Senior Territory Sales Representative, Karlene has dedicated much of her time serving on a variety of volunteer boards and committees within the industry including the Colorado Gerontological Society, Spina Bifida Association of Colorado, Medicaid DME Advisory committee, and CAMES (Colorado Association for Medical Equipment Services).

As a board member for CAMES she has played an integral part in advocating for both patients and providers with her heavy involvement in lobbying on healthcare issues at the state level. Karlene is a student of both the industry she serves and the products she provides to clients. She remains up to date annually with a Wound Care Certification from the Wound Care Education Institute.
