*It was the perfect storm. I was consumed with grief, sadness and just wanted to go back to the way things were in the group home; even if Zachary had experienced multiple hospitalizations and 2 end of life conversations. I wanted something I was familiar with—rather than talk about something unknown.*

*Mosaic has been and continues to be a bold leader in creating things that never existed before. We put our trust in Alexis and the Mosaic team and it has opened a new chapter in our lives. In fact, Mosaic has transformed the life of our family and breathed life into dreams that we were too scared to speak.*

*Theresa's mobility increased and her health improved*
