

Alliance Non-Member Invitation Policy

Alliance may invite special guests to attend its private events in an effort to build and maintain relationships with external partners. Special guests may include the staff and/or leadership of partnering organizations, past and prospective Alliance members, state agency personnel, legislators, and other individuals with whom Alliance collaborates and may be considered on a case-by-case basis.

Alliance reserves the right to decline to invite individuals or agency representatives who may disrupt the event or impede the value of the event for Alliance members and other invited guests.

Adopted by the Alliance Executive Committee in December 2017

Alliance is a statewide association of Community Centered Boards (CCBs) and Program Approved Service Agencies (PASAs) that provide services and supports to individuals with intellectual and developmental disabilities.

Alliance members serve over 10,000 individuals with IDD and employ 3,200 DSPs and case managers throughout Colorado.
